## REQUIREMENTS FOR PREPARATION OF THESE REPORTS

Abstracts of the report are provided only by e-mail to the address [071.science@dpu.edu.ua](mailto:071.science@dpu.edu.ua). The name of the file should correspond to the last name of the first author (for example: Ivanenko\_theses). Materials are accepted in Microsoft Word document format.

The volume of theses is from three to five full pages, including figures, tables, and a list of used sources.

In the upper right corner of the page, the surname, first name, patronymic of the author(s) (bold font), academic degree, academic title; place of work / study (italics); ORCID ID (bold).

Applicants of higher education indicate the surname, first name, patronymic, educational level (bachelor / master), educational institution, and below - information about the scientific supervisor of the article.

The name of the abstracts of the report - capital letters, bold, centered. Abstracts of the report, bibliographic list, information about the author(s) are printed in Times New Roman font, kegel - 14 pt, spacing - 1.5, margins - 20 mm on each side.

Tables should be numbered with Arabic numerals and have a title (centered). A link to the source must be indicated under the table (italics, kegel - 12 pt). Only book orientation tables are allowed. The size of the tables should not exceed the width of the page.

All illustrations (figures) must be numbered with Arabic numerals and have a title below the illustration (in the center). The reference to the source must be indicated under the illustration (italics, kegel - 12 pt). Only book orientation drawings are allowed. The size should not exceed the width of the page.

References to sources must be made in the text in square brackets with page numbers indicated according to the source: for example, [3, p. 54] or [2, p. 35; 5, p. 134]. In the case of referring to the name of a scientist or his work, as well as when using statistical data, a reference in the original language to the source in the bibliography is mandatory. It is forbidden to use the sources of a state recognized by the Verkhovna Rada of Ukraine as an aggressor state.

List of used sources - capital letters, bold, centered.

### SMART CITIES FOR SUSTAINABLE DEVELOPMENT

[free line]

Urbanization and a decrease in the share of the population in agricultural areas are currently one of the signs of economic development. One of the reasons why people move to cities is to find a better life and earnings.
