

**Institute for International Taxation
Invitation to the International Conference on March 19, 2025, 1 p.m. (CET)**

**Global comparison of the implementation of Pillar 2
Insights and strategies for harmonization**

The Institute for International Taxation is pleased to invite you to its International Conference under the main topic “Global Comparison of the Implementation of Pillar 2”.

The conference aims to summarize the relevant key points of the respective national GloBE implementations in a format that facilitates a comparison of national differences. The conference, which will be held in English and in cooperation with the State Tax University (Irpın, Ukraine), has been conceived by Dr. Nadia Altenburg and Julius Scherr, both Bluebird Legal & Tax, and will include country reports from internationally recognized tax experts.

Programme:

Start: 13:00 CET

Slot 1: 13:15-14:30 - South Africa/Brasil

Slot 2: 15:00-16:00 - Ukraine/Poland

Slot 3: 16:15-18:45 - Europe

Slot 4: 19:00-20:00 - Asia/USA

The conference will take place on March 19, 2025, starting at 1 p.m. (CET), in hybrid form. In order to facilitate the planning of the event, we kindly ask you to register by March 14, 2025 at the e-mail address franziska.tiemann@ifitax.com. We also ask you to indicate in your registration whether you would like to participate on site in Nordkirchen or in digital form and kindly point out that if the capacity limits are reached, only digital participation can be made possible.

You will receive an e-mail in good time before the start of the conference with the necessary digital access data and details of the event location on the premises of Nordkirchen Castle. We look forward to your participation.

Kind regards

Board of Directors and Management of the Institute for International Taxation

Institute for International Taxation e.V.

Schloss, 59394 Nordkirchen
