Dear colleagues!

We invite scientists, graduate students and specialists in the field of economic and technical sciences to take part in the International Scientific and Practical Conference (dedicated to the 30th anniversary of the establishment of the Faculty of Finance and Digital Technologies) "**Theoretical and practical conceptualization of the development of financial and credit mechanisms under the influence of digitalization**", which will be held on **March 19 - 20, 2026 at the State Tax University (Irpin, Ukraine)**.

THEMATIC AREAS OF THE CONFERENCE:

Section 1. Theoretical foundations of financial and credit mechanisms in the digital age

Section 2. The impact of digitalization on the financial environment

Section 3. Innovative tools and digital platforms in the financial and credit sector

Section 4. Dominants of financial market development in the context of digitalization

Section 5. Modern Problems of Mathematics and Their Reflection in the Methodology of Formation of Students' Research Skills

Section 6. Information Technologies and Software Solutions in Digital Transformation of Finance

CONDITIONS OF PARTICIPATION

1. The form of participation in the conference is full-time, remote.

2. The working languages of the conference are Ukrainian, English.

3. By **March 5, 2026 (inclusive)**, it is necessary to send materials to the e-mail address `konf_fin_2026@ukr.net`:

- application for participation in the conference (sample is attached);

- abstracts of the report, prepared in accordance with

the requirements.

Sample design of the name of electronic files: Petrenko_I.I._theses, Petrenko_I.I._application

4. Upon receipt of the materials, the Organizing Committee sends a confirmation letter to the participant's address within two days.

5. Participants have the right to submit papers that have not been previously published.

6. The maximum number of authors is three (including the supervisor).

7. Based on the results of the conference, participants will receive a certificate and a collection of conference materials in electronic form.

Participation in the conference is free.

REQUIREMENTS FOR ABSTRACT PREPARATION

1. The volume of abstracts is up to 3 pages, which are not numbered.

2. The font is Times New Roman, the size is 14, the line spacing is 1.5, the paragraph is 1 cm, the size of all margins is 20 mm.

3. The use of illustrative materials in abstracts should be minimal. The font size in the table is 12, the heading is 14.

4. The format of tables and figures should be only portrait.

5. The author and the supervisor are responsible for the content and design. The sequence of placement of materials in the abstracts of the report:

- UDC (in the upper left corner) 12 font;

- title of the abstract of the report (capital letters, font – bold);

- surname and initials of the author (no more than two);

- name of the higher education institution;

- text;

- The list of sources used should be drawn up in accordance with the requirements used for the design of scientific papers. References to sources should be indicated in the text in square brackets by the serial number of this work according to the list of sources used.

SAMPLE ABSTRACT DESIGN

UDC

APPLICATION OF FINTECH IN THE FINANCIAL MARKET OF UKRAINE

Gerasimenko O.A., Faculty of Economics. Sciences, Associate Professor, Associate Professor of the Department of Finance, Taras Shevchenko National University of Kyiv
